Part Time Work Recruitment Fair

At Kimpton, we promise guests “a different way to stay.” We know that means we have to be a different, and better place to work. You'll quickly learn Kimpton's not just a hospitality job. Here, you'll join a mission to make people lives better. Kimpton Charlotte Square offers a fresh experience in the centre of the historic city of Edinburgh, with a pristine, traditional outside and a buzzing edge inside.

The real you is the only job requirement; your diverse background, talents and quirks are what help our company connect meaningfully with our guests. You'll lead your own personal career path while you help make each guest's journey feel more personal.

Positions Available: Part Time, Casual

The Sheraton Grand Hotel & Spa is recruiting for Food and Beverage Servers to join our bar, restaurant and banqueting teams. We are looking for passionate individuals who love customer service and making a difference to the guest experience. We offer flexible working hours and free meals on duty. As Marriott International we are part of the world's largest hospitality company. Why not start your career with us?

Positions Available: Part Time, Casual

Gain valuable hands on experience supporting children with additional support needs (e.g. autism, speech, language and communication delay, learning disabilities etc.) and their families. Working with both the child and their family you will spend regular 1:1 time helping children with disabilities achieve their personal goals.

Developing a positive and trusting relationship with the family and child through spending regular weekly time with them - doing fun activities which develop their confidence, social skills, independence etc. This opportunity is ideal for students seeking a career in Health, Social Care and Psychology and who want to make a real difference.

Positions Available: Part Time, Volunteering

Looking for students with a compassionate nature who want to make a real difference to people's lives.

EIDYNCARE

Do you enjoy helping others and making a significant difference to someone's life? If you do, then a support worker career could be for you! It doesn't matter about your experience, if you want to help people there's a career opportunity for you in Shaw healthcare. What matters are your personal values. We will provide you with the training you need, including an Induction and ongoing development and progression.

Our Support Workers deliver a high quality of care and support to our service users in line with our core values of 'Wellness, Happiness, and Kindness'. We believe that these should be present in all we do, both for employees and those who use our services. Our vision is to provide the quality of care that we would want for our own loved ones.

Positions Available: Part Time

FUSE has been established to support recruitment and skills training for the city centre and the new Edinburgh St James, which is expected to bring an additional 3000 jobs across retail, hospitality, operations, facilities and management. Whether it's part-time, full-time, seasonal or permanent – FUSE will have an opportunity to suit you.

FUSE will co-ordinate recruitment opportunities available within the city and provide employment support.

Our new offices are open from September 2019 at The Cube, Ground Floor, 45 Leith Street, Edinburgh, EH1 3AT.

Are you ready to Ignite Your Future?

Get in touch by visiting www.edinburghfuse.com emailing hello@edinburghfuse.com or speak to our friendly team today at the FUSE stand for more information.

Positions Available: Part Time, Casual

Are you studying a degree related to healthcare, or do you have previous healthcare experience?

Want to gain more practical experience working with different client groups?

Do you need a flexible rota where you choose when you work?

You get all of this while working for Trust. We provide skilled and experienced Healthcare Professionals to dedicated Healthcare Organisations in Scotland. You'll be paid the Living Wage as a minimum (£9.00) and can choose the rota that best suits you.

Positions Available: Part Time, Casual

The Rock Trust supports young people who are at risk of homelessness. We are looking for students from various disciplines who want to make a difference to young people's lives. Free accommodation is included with the Peer Flatmate role we are promoting, as well as an opportunity to develop valuable employment skills that are relevant across a variety of sectors.

Positions Available: Part Time, Voluntary

We are one of the country's leading disability charities and social care providers, empowering disabled people to live, learn and work as independently as they choose. We are attending this event to seek social care staff as Support Workers or above. We also look for volunteers, who may participate as a befriender in activities in the local community, or be a digital volunteer to involve disabled people in the world of digital.

Our Change 100 intern also helps disabled final year students and/or graduates to complete a three-month internship to find work.

Positions Available: Part Time, Work Experience, Voluntary

Enjoy Leisure are a local organisation that have swimming pools and sports centres across East Lothian. We are keen to speak to students who have a passion for sport & leisure, demonstrate great customer service and enjoy being part of a team. We have opportunities across most of our sports centres for flexible and committed colleagues to join our team and work with us to provide a great customer experience for the residents of East Lothian and visitors to the county.

Positions Available: Part Time, Casual

The Recruitment and Skills Centre (RSC) at Fort Kinnaird Shopping Centre supports employers' current recruitment and staff development needs and also Jobseekers to gain and retain employment in the area. Speak to us about current opportunities in retail.

Positions Available: Part Time, Casual

Do you want to develop a career in social care? We are looking for more great people to join our teams. At the same time as recruiting the best people to provide the very best support to autistic people, we want to support you to achieve your career ambitions.

Positions Available: Part Time, Casual

EDINBURGH

QMU Student Ambassador Programme

Would you like to act as an ambassador for the University at events on and off campus? Ambassadors work in events such as: Open Days, Applicant Visit Days, School Visits, School Workshops, Higher Education fairs etc.

Student ambassadors will also be offered the opportunity to support other departments in the University where required.

Volunteering and Third Sector Fair

The Super Power Agency is a charity dedicated to supporting young people through creative writing. We believe in the power of stories and creativity to help transform the lives of under-resourced students, and work with volunteers to work towards closing the attainment gap in education. We need you to help us with our mission. If you're willing to listen, cultivate self-esteem and build confidence, you would be the perfect Super Power Agent.

Positions Available: Volunteering

The Boys' Brigade brings opportunities for everyone. A little of your time each week will make a BIG difference to Children & Young People in and around Edinburgh. Ideal for students from any discipline to come share your knowledge or for those with a focus on children & Young People to help you develop your skills and experience. Each group meet for a few hours each week where you can join in with games, crafts and help with our achievements programme which gives our Young People the chance to Learn, Grow and Discover and live their life to the full.

Positions Available: Volunteering

Looking to gain experience in the charity sector? Bethany Christian Trust is committed to ending homelessness, one person at a time. We support over 7000 people in Scotland through homelessness prevention, intervention and housing support. This work is vital and could not be done without our dedicated volunteers. There are volunteers in every department at Bethany. Currently we are particularly looking for individuals to assist in Business Support (IT, Reception, HR, Finance) and Retail (admin, stock sorting & customer service). This is a great opportunity to learn skills, have fun and make a real difference. Join us today and become a #BCThero

We have a very broad array of volunteering opportunities from across the county and further afield, we support local organisations to recruit volunteers. If you are unsure of where you would like to Volunteer please come and talk to us.

Positions Available: Volunteering

Gig Buddies Scotland enables people with a learning disability to get out to the events they love. We do this by pairing them with like minded volunteers to then go out and enjoy their shared passion together. Being a Gig Buddies volunteer is extremely flexible and informal. It's also based around everything you already love. This can be music, theatre, sports, it's whatever your 'gig' is!

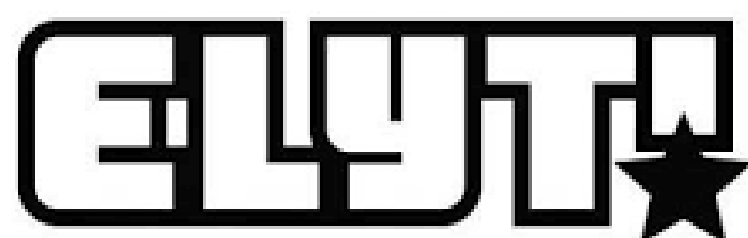

Positions Available: Volunteering

POLICE SCOTLAND

Looking for students who want to join Police Service of Scotland as a Special Constable. The Special Constabulary is a part-time, volunteer body consisting of officers with similar powers to that of police officers. As a special constable, you'll work alongside our police officers – forging strong partnerships in the community, patrolling our streets, preventing crime and interacting with all kinds of people to help keep your local community safe.

Positions Available: Volunteering

We are looking for students with a keen interest in drama, theatre and group work who want to broaden their experience of working with young people in the community. East Lothian Youth Theatre run Groups led by experienced drama professionals at a variety of locations across East Lothian, with over 20 classes to choose from. Classes are subsidised by East Lothian Council to make the experience of drama accessible to all. With funding to the arts being cut ELYT aim to give the opportunity to attend classes an option for all groups are for ages 5 to 18 years.

Positions Available: Volunteering

Within Active Schools, Sports Development, Healthy Living and our local sports clubs we are always looking for more volunteers to get involved with our programmes so we can continue to offer local, low cost activity for all, children, young people and adults alike. No formal qualifications are needed, just enthusiasm, dedication and a positive attitude to promoting a healthy lifestyle.

Positions Available: Volunteering

Looking for Physiotherapy, Occupational Therapy or Speech & language Therapy students who want to further their experience & make a difference. Also Social media, website, graphic design students who also would like to gain experience and help people and a small charity working with adults with acquired brain injury in a social community setting

Positions Available: Volunteering

People Know How was founded in 2013 on the principal that people know how to identify their needs and the solutions that will help them fulfil their potential and solve social issues. People often don't realise that they know how, and that's where we come in – unlocking ideas for a better future, today. We call this social innovation. Our opportunities to volunteer involve our:

- Positive Transitions Service (projects supporting children and young people)
- Re:Connect (helping people access the digital world)
- Research, briefings, researching social issues to build a database of briefings
- Shaping Your Future, consulting the North East community

Positions Available: Volunteering

St Columba's Hospice is a great place to volunteer offering a diverse range of roles to students who have an interest in palliative care. We have opportunities on the wards, in Day Therapies, in Supportive Care, in our gardens, in our cafes and in our local community. We are always on the look out for great people so do get in touch to find out more.

Positions Available: Volunteering

Overseas & International Fair

Being a camp counselor at summer camp is one of the greatest summer jobs out there. Don't believe us yet? Here's our top 9 reasons of why you absolutely should...

1. You get paid to have fun
 - Camp is all about creating a fun, epic and energetic environment.
2. The children
 - Without campers, camps wouldn't exist - you'll have the time of your life, but at the end of the day it's all about the kids.
3. The after camp adventures
 - Not only do you get to experience the insanely wonderful world of summer camp, you also get 30 days to travel after.
4. Make your CV dazzling
 - The skills learned at camp are perfect for adding to your CV or resume.
 - Job interview? Smashed it.
5. Gain independence
 - You're heading to the land of independence. They even have a special day for it!
6. Live the US culture
 - Destroy the stereotypes and learn about the true American culture.
7. It's no desk job
 - You will spend most of the day outside playing games or relaxing in the beautiful, idyllic scenery with your campers.
8. Make lifelong friends
 - The friends made at camp are amongst the closest you'll ever have.
9. Gain extra qualifications
 - Camp Leaders can help you gain qualifications both at home and in the US at camp.

Positions available: Internships for students and graduates

NHS Grampian provides healthcare services to the North-East of the country, covering the local government areas administered by Aberdeen, Aberdeenshire and Morayshire Councils. We employ around 17,000 staff (of whom approximately 1,200 are AHPs) who deliver our services to half a million people spread across 3,000 square miles of city, town, village and rural communities.

As an employer, we take great care to ensure that all staff have a safe, happy and professional environment in which to work. We are a listening, caring and people-focused organisation. As a diverse employer, we are welcoming and our employment practices are both flexible and family-friendly.

We are looking for Allied Health Professionals (especially Speech and Language Therapists, Occupational Therapists, Physical Therapists, Podiatrists and Dieticians) to join our professional and innovative teams. We provide a welcoming and supportive environment for graduate students with mentoring, preceptorship and clinical supervision to help you in the exciting transition from university to graduate employment.

Positions Available: Speech & Language Therapists, Physical Therapists, Podiatrists and Dieticians
